Terminal Size	118.5mm x 58.5mm x 23.8mm/ 4.67in x 2.30in x 0.94in	
Main Screen Size	3.1 inch	
Main Screen Resolution	480*800	
Touch Screen	Support	
Exterior Design	Hard glue	
Body Color	Black/ Optional	
Band	GSM	850(B5)/900(B8)/1800(B3)/1900(B2)
	WCDMA	B1(2100)/B2(1900)/B5(850)/B8(900)
	LTE-FDD	B1/B3/B5/B7/B8/B17/B28A
	LTE-TDD	B34/B38/B39/B40/B41M
	CDMA	BC0
OS	Android 9.0	
CPU	MT6739	
CPU Frequency	1.5G, 4 Core	
Memory	2+16	
Micro SD Card	Support up to 128GB	
Battery	3500mAh@3.8V	
Motor	Support	
Earpiece	Support	
Speaker	2 Watts	
Battery Assembly Method	Removable	

COMPONENT SPECIFICATIONS		
Navigation	Built-in GPS, support A-GPS, support GLONASS	
Prevention Function	Support IP67 waterproof, IP67 dustproof, IP67 shockproof	
Sensor	Gravity sensor, geomagnetic sensor	
Volume Up and Down Keys	Up and down volume keys	
POC Button	Support	
Power Button	Support	
Indicator Light	Red light	Charging/ intercom launch
	Green light	
	Blue light	Missed call
NFC	Support	
Mic	Silicon	

ENVIRONMENTAL SPECIFICATIONS	
Operating Temperature	-20°C ~ 55°C/ -4°F ~ 131°F
Storage Temperature	-30°C ~ 70°C/ -22°F ~ 158°F
IP Protection Rating	IP67

CAMERA FUNCTION	
Front Camera	3M
Rear Camera	13M
Flash	1 piece, 250LM or more

DATA FUNCTION	
WLAN Function	2.4G, 5.8G
Data Interface	TYPE-C interface, support OTG
Headphone Jack	3.5mm, same as Apple definition, Key supports PTT, POC software switching
Bluetooth Transmission	Bluetooth 4.1

PRODUCT CERTIFICATIONS	
RoHS Certification	
CCC Certification	
CTA Certification	
CE Certification
